Our Teachers' Department.

It affords us pleasure to present to our readers this week our talented young friend, Prof. C. W. Welch, as editor of our teachers' department. He has consented to take charge of this column of our paper and we know that he will spare no effort to make it both interesting and instructive. But in order that the department may be successful it is necessary that the teachers and friends of education of the County give the editor his hearty co-operation and support. This we have no doubt, they will.

## FAREWELL TO THE NEWBERRY FAIR.

THE SENSE OF THE STOCKHOLDERS PRESENT TO CLOSE OUT AND QUIT.

In response to the call issued by the President of the Newberry Agricultural and Mechanical Association about two dozen stockholders assembled in the Court House last Saturday to advise as to what should be done as to the association. The constitution makes it imperative on the directors to hold annual fairs unless otherwise directed by the stockholders. The fair of 1884 fell short of expenses about \$300, and the last one was derived from about \$600, the association has a debt of about \$900.

Upon a motion of Mr. Y. J. Pope, Mr. Alan Johnstone was called to the chair, and Mr. Geo. S. Mower requested to act as secretary.

The stock called, and it was found that only about 125 shares were represented, and as the constitution requires a majority of the stock to constitute a quorum, and as there are 300 shares in the Association, for lack of a majority the directors are unable to hold the fair. The sense of those present was tested, however.

The treasurer made a partial statement, showing the debt on hand, and with only about \$10 on hand.

Mr. Pope moved, as the sense of those present, that notwithstanding there was a deficit, the directors be earnestly requested to proceed to hold another fair. In support of his motion he spoke of the great benefit the Association was to the farmers, and of the pleasure to the stockholders in these annual gatherings. He was willing to risk his stock in another effort.

Mr. A. Buzhardt seconded Mr. Pope's resolution.

Mr. R. L. McCaughin offered as an amendment to the resolution, that the stockholders be assessed 20 cent. on their stock to pay the debt.

Mr. Mower said that at a meeting of the stockholders held about a year ago, it was decided to hold one more fair as a test, and as a circular was issued calling on stockholders to exert themselves to make the last fair a success. The prospect in the future is not likely to be any better than it was the past year. He proposed that the directors be requested to hold another fair if it would be best to hold one more.

Mr. G. F. Long said he thought it had been decided that the Association could not enforce the collection of the levy if it was made.

The President said it had been so decided.

The motion and amendment were both lost.

Mr. McCaughin said that it was plain that the Association would fall behind from \$150 to \$300 each year, and as the stockholders are assessed 20 cent. on their stock, the directors be requested to put the Association in liquidation and close up its affairs. Carried without discussion.

D. B. Wheeler moved that the directors be requested to call another meeting on the third Monday in January, (18th) 1886. The Association then adjourned.

Sale Day.

Owing to the rain Sunday night and Monday morning, the crowd in town on Monday was not as large as it usually is on sale day in January. Still there were a good many people here, and most of the property sold very cheap.

Mr. Whister sold the following property:

G. McWhorter, vs. Joseph W. Gore, 100 acres to H. C. Wilson for \$400.

Wm. M. Dorroh, et al., vs. E. C. Longshore, et al., 80 acres to E. C. Longshore for \$1,350.

Godfrey Leaphart, Treasurer, vs. Thos. S. Moorman, et al., 1 1/2 acre lot in town to Mrs. L. A. C. Wicker for \$810; also, in same case, 1/2 acre lot in town to Mrs. Marie W. Moore for \$85.

National Bank of Newberry, vs. F. A. Schumpert, et al., house and lot in town to Mrs. Mary E. Harmon for \$1,325.

Fant & McWhorter, vs. Holloway Hill, et al., 131 acres to M. A. Carlisle for \$430.

Eliza Fowles, vs. J. Bolton Werts, 90-100 acres to C. L. Havid for \$2,775.

J. M. Gee, Judge Probate, vs. Holloway Hill, et al., 185 acres to Dr. Francis M. Setzler for \$1,600.

The other cases advertised by the Master were withdrawn.

James F. Watkins, Executor, sold 225 acres to William Q. Watkins and J. F. Watkins for \$2,150.

The Hot Supper

At Fallaw's Hall, Helena, New Years night for the benefit of Miss Beatty Greener's school was a pleasant success, both in the supper itself and in its social feature. The ladies of the little village, with their usual and hearty hospitality, assisted by several from Newberry, spread a table of delicious meats, salads, pastry, etc. Fish, fowl and fowl were temptingly and lavishly served, with necessary accompaniments. The fowl was delicious turkey, the flesh, roasted pork and savory ham, while the fish was the luscious broil most appetizingly stewed. The ladies "waited" as only ladies can, while the gentlemen, in appreciation, looked both happy and handsome. After the supper there was merry, delightful dancing. The proceeds amounted to about \$35. The supper was the outcome of Miss Beatty's busy and practical brain, and the proceeds are intended to be used in repaying the school house now used by her, belonging to the railroad company. She is an energetic worker, as well as a capable and conscientious teacher, and generally accomplishes what she undertakes.

The Request of the Girls.

A curious petition was that which was addressed to 1733 to the Governor of South Carolina by sixteen maidens of Charleston. It ran thus: "The humble petition of all maidens whose names are underwritten. Whereas we, the humble petitioners, are at present in a very melancholy disposition of mind, considering how all the bachelors are blindly neglected by the widows, and we are hereby neglected in consequence of this, our request is that your Excellency will for the future order that we, who ought to have the precedence. This is humbly recommended to your Excellency's consideration, and hope you will permit no further insults. And we poor maids, in duty bound, will ever pray."

The Governor of South Carolina at the time this petition was made was Robert Johnson.

better stop your cough while you can. Bye and bye nothing will do it. It is worth knowing that Parker's Tonic is the best thing known for coughs, colds, croup, whooping cough, and all the ailments of the throat and lungs. You risk your life in waiting. Take it while there is yet time.

## PROSPERITY.

Miss Mamie Wells has been visiting relatives during the last week.

Mrs. I. W. Walters, has been visiting here also.

Mr. G. A. Maffett has been sick for several days but is up again.

Messrs. Simon Sheppard and Virgil Boozer visited Edgfield last week. They report a good time and a hospitable reception by those they visited. Simon said he wanted to stay longer but could not.

For the last ten days our town has had a large influx of visitors. Something unprecedented in its history.

We are glad to see them but for a mention to be made would require too much time and would take possibly too much space, but by this method we thank them for their attendance, and money spent. We would ask them to come again, to the next hot supper.

The glory of the students has departed so have they also; now for six or seven months hard work. They "shall fold their tents like that Arab, And as silently steal away."

Miss Ella Sease has been employed as a third teacher in Mt. Tabor school. The Trustees have built an addition and have added also a belfry. The school must be situated near the border line and where the amaranthine bowers of bliss are, and people send their children to school. They are right in toto.

Prof. Rupp of N. C. College preached in Grace Church Sunday morning and night. Text for morning sermon St. Luke VII. 17.

The hot supper given by the ladies last week was a grand success, notwithstanding the inclemency of the weather. Prof. Scholtz seemed to be ubiquitous during the day and part of the night. The net proceeds amounted to \$83. We hope that the next time the weather will be fine so our Newberry friends may come down. A cordial invitation is extended to all.

Miss Alice Crosson is teaching at St. Luke's. She began Tuesday.

Mr. Thos. P. Slider has paid us a visit. He is an old citizen of our County and is known pretty generally.

Mr. John Enlow has moved out of town, to what is known as the Elmore place.

Prof. W. D. Simpson and Miss Carrie Aull have returned and report ready for work.

1886 enters bright and cheery.

It is with pleasure I acknowledge the great benefit derived from the use of your "Pellham's Pectoral Syrup" for Colds, Coughs, and Bronchial difficulties. I have tried many remedies but find your "Pectoral" the most effective yet used, and will always keep a bottle on hand for instant use.

Married.

December 23, 1885, at the residence of the bride's father, by Rev. N. S. Younginger, Mr. John C. Schry of Newberry County, S. C., and Miss Minnie Bickley, of Lexington County, S. C.

On Tuesday morning 29th Dec. 1885 at half past nine o'clock W. G. Taylor, of Pickens County was married to Miss Eliza Aiken, daughter of the Hon. D. Wyatt Aiken, representative in congress from the third district. The wedding was had at Col. Aiken's residence and in his chamber, being at present confined to his bed. The Rev. R. D. Smart and the Rev. Mr. Neville, brother-in-law of the bride, performed the ceremony. Mr. and Mrs. Taylor have gone on a wedding tour to Florida. The groom is a brother of J. H. Taylor and a member of J. H. Taylor & Bro., proprietors of the furniture factory here. The wedding was, of course, a very simple one, and only a few persons were present. Mr. Taylor was accompanied from here by his cousin, J. D. Gilreath—Greenfield News.

Death.

Died at the residence of her son, Mr. J. C. Goggans, Mrs. Emily Goggans in 70th year of her age.

## A TRIP TO PROSPERITY—THE ADJOURNMENT OF THE GENERAL ASSEMBLY.

AT NEWBERRY—CHRISTMAS—NEW YEAR—OTHER MATTERS.

COLUMBIA OFFICE, HERALD & NEWS, January 4th, 1886.

Owing to the rush just before and after the adjournment of the Legislature, I have missed sending you a letter for several issues, and as there are a few things I desire to mention I will ask pardon of your readers for giving the delayed letters.

On the 19th ult., by invitation, I accompanied the Hon. H. G. Sunday, the General Secretary of the State Executive Committee of the Young Men's Christian Association of the State, to Prosperity, to attend a public meeting arranged for the following (Sunday) evening at 7:30 o'clock to be held in Grace Church, in the interest of the Y. M. C. A. of Prosperity. We were met by Mr. A. H. Kohn, who carried us to his house. We spent a pleasant night and day, enjoying his kind hospitality. We listened to a splendid sermon on Sunday morning at 11 o'clock, preached by Mr. S. T. Kiser, a student in the Lutheran Theological Seminary at Newberry, a young man of unusual promise. Prosperity should be proud of him. We also attended at the same church at 3:30 o'clock, preaching at Grace Church, immediately afterwards, and at night the Y. M. C. A. meeting at Grace Church. The house was nearly filled. Mr. Sunday's address was a very appropriate one for the occasion. At the close thirty-four names were enrolled for an organization, and there is every reason to expect that the Y. M. C. A. of Prosperity will do a grand work for the young men of that town.

The visit was an exceedingly pleasant one to me, and I shall remember with pleasure the kind manner in which I was invited and received into the homes of the good people there during my short stay. I have never been to a place where I found more zealous Church and Sunday School workers than I found there. The church services were all well attended, and at the Sunday School at Grace Church on Sunday afternoon there were ninety-five persons reported present, and I think I am safe in saying that twenty-five of the number were grown and old persons, twenty-five young men and girls, and the remaining forty-five, children from five to sixteen. I commend this picture to the parents, young people and children of the Sunday Schools of the State.

I returned to Columbia on the night freight. Mr. Sunday on the morning freight. We found the Legislature contending over the census, tuition and penitentiary bills, with a deadlock threatened, but the old, experienced manipulators managed to pull the money out of the treasury for the benefit of the penitentiary and other pet schemes and to kill the census bill and adjourn.

The most conspicuous work of the session was what they failed to do, and the causes, while there was an effort made to reduce expenses, the appropriation was nevertheless increased, at the same time I will admit that the work of the causes and friends of reform prevented some extravagance. Dr. S. Pope was looked upon as the watch dog on the door leading from the extravagant side of the House of Representatives through the Committee on Ways and Means to the State Treasury, and never was there an effort made to slip in a plum for a pet but what he sprang to his feet, with the familiar announcement, "Mr. Speaker, I object."

Of the other prominent men in the House there were Humphill and Graydon, of Abbeville, Blue, of Marion, and McKissick and Rice, of Union, on the side of the economists; and of those not members of the causes, Haskell, Simonton, Summers, Ficken, Maher, Aldrich, Schumpert, Brown, of Darlington, Parker, Rueker, Boggs, Sunday, Dennis, Ansel, W. B. Wilson, Jr., and J. S. R. Thomson, while inclined to be somewhat liberal, still they are good legislators and their constituents would do well to send them back.

In the Senate there is Mr. Coker, Mr. Sligh, Mr. Earle, Col. Wallace, Dr. Maxwell, Mr. Howell, Mr. Smythe, Mr. Munro, Mr. Moore, of Hampton, Mr. Leimer and Mr. Mauldin are the most prominent figures. It was conceded that Mr. Sligh made the best speech that was made on either side on the bill to require the University to charge a tuition fee of forty dollars. Mr. Hardy did not do any speaking, but for close attention to duty and correct voting he was not excelled by any one.

The list of acts appeared in our supplement last week, and the most of the acts relating to Newberry have been published, others of a general nature appear this week. The priority bill seems to be the one which brings greater hardships on the poor man than any other. It is unfortunate that it should have passed.

I spent Saturday and Sunday, the 26th and 27th ult., very pleasantly in Newberry. I noticed a number of improvements that have been made during the last three years, and it gives me pleasure to say that these extend to all the
